Bill No. SB488

February 20, 2009

Letter of Support- Jean Azure, Chippewa-Cree

I think this bill is very good and beneficial for Indian and non-Indian children alike it will help us to share our rich culture and foster cohesiveness between Indian and non-Indian children. Bringing understanding to the forefront; this bill helps our children to appreciate each others way of life. This bill will also protect historical information and foster a tri-lateral relationship between the state, federal and tribal Governments.

Working together we can make a better future for all Montanans.
